FOR REPRESENTATIVE

William H. Shanks announces his candidacy for Representative from Lincoln county, subject to the action of the Democratic party.

After the July wine, and withdrawn from the negro-packed convention on Saturday, the chairman of the Republican County Committee, when the scheduled program had been accomplished, by a wave of the hand, delayed the adjournment until he received himself by the administration of an editorial castigation of those who had quietly witnessed the meeting. In the heat of his eloquence, he employed the classic phrase:
"Lay on, Macduff!"
And damned be he that first cries:
"Hold, enough!"
But the doughty Doctor had not correctly read the political horoscope of him whom he opposed, for before the mounting challenge of Macbeth had quit his lips:
"Great Birnam wood to high Dunsinane Hill
Hath come, against him!"
One hundred and nineteen counties had spoken, O'Rear and swept the state, and the frightened chairman and his drab cohorts had got it where the chicken got the ax.

Kentucky needs good roads, and should have them; but the next general assembly should look narrowly into the systems which may be proposed. It will no doubt be seen from a careful inspection that the one prominent feature desirable to the naked eye, will be an enormous tax, and numerous high-spirited officials, and that chief among these, who champion these measures, are certain fellows who expect to see these offices, as a reward for their many sacrifices of duty, and later in putting the bills through.

It is reported that Ruby Laffoon, to his regret, for Auditor in the Third Congressional District by the report down there that he had promised to name Mott Ayers Fire Marshal. Of course that was enough to defeat the best man in the State—Elizabeth town News.

A report that Laffoon would appoint Henry Prevost Insurance Commissioner cost him many votes in this county.

Editor Perry, of the Winchester Sun-Sentinel says: "The preachers should take a rest. It is too bad to go to church." Seems to us that if the preachers don't take a rest, most of us would be heading toward a hot ter place than church.

OLLIE JAMES—SENATOR.

James L. Walker, the withdrawal of Senator Ollie James from the senatorial race, left Congressman Ollie James victor without a contest. The Congressman congratulated James. He deserves the name, the long battles, conscience, and character. He can not be fooled; he can not be lulled and he cannot be frightened. He is just the kind of man needed in the Senate to oppose the schemes of the unscrupulous demagogues who have been robbing the party of its principles in the Senate. James, into national prominence in 1904 and has grown ever since. The democratic party of the nation can afford to lose the time and celebrate for several days when James stands to his arm.

WE'RE FOR HIM

We learn that editor Frank Clay has left the Lexington Record, and will enter into the political ring and enter as a candidate for county money in Garrard at the next election. Mr. Walker who is an able lawyer is very popular in his county, and anyone detecting him will have to go some. He is a devoted the wool democrat and in every way fitted for the place. He is a brother of Circuit Judge Lewis L. Walker—Danville Messenger.

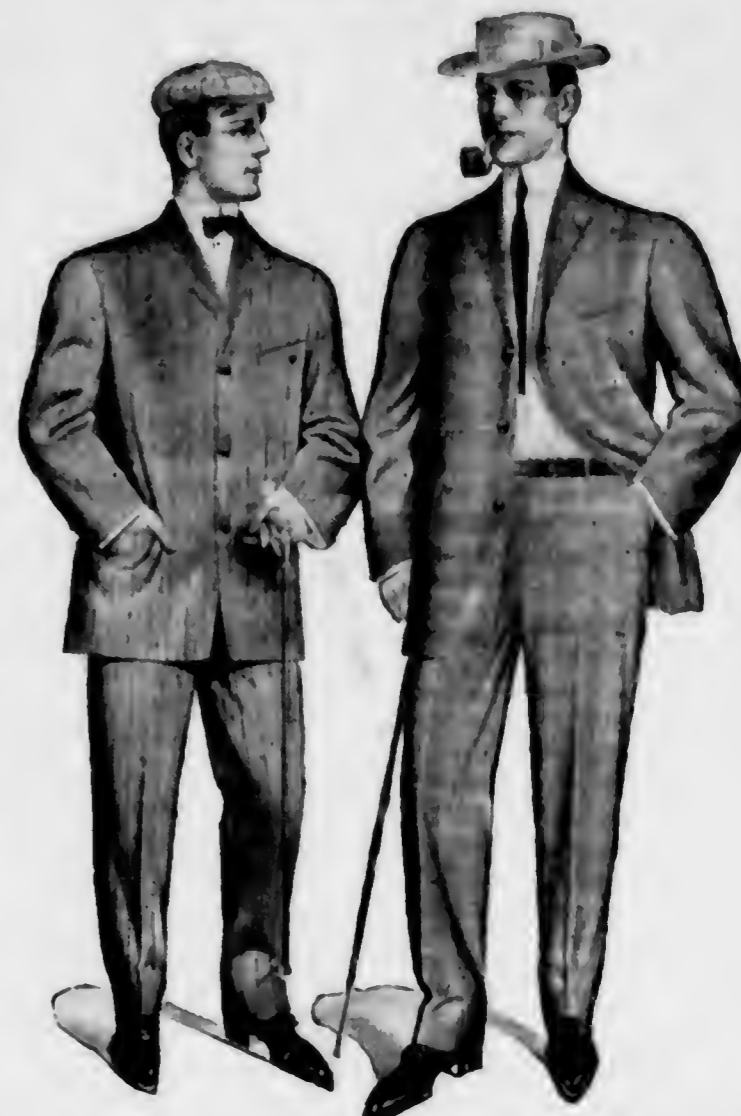

The jury in the Supreme Court placed \$100,000 as the value of a hog in the case of J. H. Debow, of Nashville, Tenn., against the Vicksburg Shreveport & Pacific railroad last Saturday. The hog was "Premier Long-God's Head," a pedigree porker, killed in a railroad accident, on which was placed the valuation at \$20,000. The animal was 9 feet long, 2 feet high and weighed over 1,000 pounds.

Official estimates of the 1911 corn crop indicate that it will be approximately 14,425,000 bushels of 560 pounds each, the largest in the history of the country.

The Modern Wash-day

Time was when The Wash was a weekly nightmare, wash-day dinner a by-word.

The New Perfection Oil Cook-stove has changed all that. Once the wash-boiler is on the stove, it leaves you free to attend to the dinner or any other work.

You can move a New Perfection where you please and light it in a moment. It requires no attention after that. A single gallon of oil lasts all three burners seven hours or more. No coal or wood to carry; no fire to feed; no soot nor ashes. It keeps a kitchen or laundry cool and clean. It asks to perfection, with the least trouble and expense.

Made with 1, 2 and 3 burners, with long, turquoise blue enameled chimneys. Handsomely finished throughout. The 2- and 3-burner stoves can be had with or without a cabinet top, which is fitted with drop shelves, towel racks, etc.

To Lydia E. Pinkham's Vegetable Compound

Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sensitive Pills have done me. I live on a farm and have worked very hard. I am forty-two years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, Lydia E. Pinkham's Compound, and that I will be no weaker but, being so, I feel free if they will take it, I have. I am greatly over with it in the house.

"I will say now that I think there is no better medicine to be found for women's ailments to build them up and make them strong and well. My oldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her.

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."
